The DPI is informed that with reference to the condition specified in the last sentence of clause 3 of the scholarship scheme, read with clause 7, the scholarship can be awarded to another student from 1949-'50 onwards amending the Scheme as proposed by him, as the holder the scholarship ceased

it when she accepted the Grant scholarship in 1949-'50.

No 7019 G/51

Endowment. Govt College, Mangalore
Sir. Lakshmana Rao Scholarship Endowm

From the D.P.I. No. 2770 E-3/50 of 19.2.51

The proposal is that since the student who was awarded the Lakshman Rao Scholarship in 1947-'8 has been awarded a Govt Scholarship in 1949-'50, she is no longer eligible for the former Scholarship and that it may be awarded to another student. For this purpose it is considered necessary first to amend the scholarship scheme by omitting the last sentence in clause 3 of the Scheme, introduced in G.O. No. 2149 Edn of 31.7.'50. It does not appear that the Scheme requires amendment as suggested by the D.P.I. for the reason that when the student accepted the Govt scholarship in 1949-'50 she ceased to be entitled to the Lakshman Rao Scholarship on account of the words "subject to the Conditions hereinafter contained", occurring in the last sentence of clause 3 of the Scheme. For, according to clause 7 of the Scheme, the scholarship shall not be awarded to a student who is in receipt of any other scholarship. In this view the scholarship can be awarded to another student from 1949-'50 without amending the Scheme. Legal may be requested to state whether the above view is correct. If, however, amendment is necessary, the D.P.I. may be requested to obtain and submit to Govt a regular application under Sec 6 (1) of the Charitable Endowments Act for modifying the Scheme.

The file may be sent to Legal for remarks.
